Hi Ross,

We've spoken with Mobility's principals, and given their schedules we are fine with asking the court for a series of dates, starting in April. Thank you.

Best regards,

Michael

Hi Dave,

In view of the conflict we have on the 8<sup>th</sup>, our plan is to ask the Court for some alternative date ranges that will work for the Court so that both sides could evaluate and let the Court know which one(s) works best for the parties, witnesses, and counsel.

Hi Ross,

Is Verizon intending to propose any alternative dates or date ranges? Or is Verizon simply asking the court to move the date?

Thanks,

Dave

Counsel,

We have trials that conflict with the March 8, 2021 trial date in the Mobility Workx case set by Judge Mazzant. We intend to ask him to provide some additional proposed dates, as Judge Mazzant indicated he would do on the November 17, 2020 telephonic hearing. Please let us know if you are willing to jointly approach the Court to make this request, or if you oppose or take no position regarding Verizon's request. Thank you.

Best regards,

Ross
